## 27 Month Questionnaire

25 months 16 days  
through 28 months 15 days

On the following pages are questions about activities children may do. Your child may have already done some of the activities described here, and there may be some your child has not begun doing yet. For each item, please fill in the circle that indicates whether your child is doing the activity regularly, sometimes, or not yet.

### Important Points to Remember:

- ☒ Try each activity with your child before marking a response.
- ☒ Make completing this questionnaire a game that is fun for you and your child.
- ☒ Make sure your child is rested and fed.
- ☒ Please return this questionnaire by \_\_\_\_\_.

### Notes:

---

At this age, many toddlers may not be cooperative when asked to do things. You may need to try the following activities with your child more than one time. If possible, try the activities when your child is cooperative. If your child can do the activity but refuses, mark "yes" for the item.

- 3. ASQ SCORE INTERPRETATION AND RECOMMENDATION FOR FOLLOW-UP:** You must consider total area scores, overall responses, and other considerations, such as opportunities to practice skills, to determine appropriate follow-up.

If the child's total score is in the  area, it is above the cutoff, and the child's development appears to be on schedule.

If the child's total score is in the  area, it is close to the cutoff. Provide learning activities and monitor.

If the child's total score is in the  area, it is below the cutoff. Further assessment with a professional may be needed.

- 4. FOLLOW-UP ACTION TAKEN:** Check all that apply.

- \_\_\_\_\_ Provide activities and rescreen in \_\_\_\_\_ months.
- \_\_\_\_\_ Share results with primary health care provider.
- \_\_\_\_\_ Refer for (circle all that apply) hearing, vision, and/or behavioral screening.
- \_\_\_\_\_ Refer to primary health care provider or other community agency (specify reason): \_\_\_\_\_
- \_\_\_\_\_ Refer to early intervention/early childhood special education.
- \_\_\_\_\_ No further action taken at this time
- \_\_\_\_\_ Other (specify): \_\_\_\_\_
